(VERSE IS SAME AS THE CHORUS)

Charlie Jones was the engineer
He had twenty years on the line
He kissed his wife at the station gate
This morning at six thirty five

Now everything went fine 'til half past nine
Then Charlie looked up and he saw
There was men on horses, men with guns
And no sign of the law

[*chorus*]

Amos White was the baggage man
And he dearly loved his job
The company, they rewarded him
With a golden watch and fob

Well, Amos he was marking time
When the door blew off his car
They found Amos White in fifteen pieces

Fifteen miles apart
