

A Light At The River **D**

D There's a deep silent river **G** flowing just be **D** yond

D Its waters are so deep and **A** wide.

A **D** Faith sees a light, a **G** beaoning **D** light,

D Down by the **A** river **D** side.

CHORUS:

D There's light at the river, a **G** light at the **D** river,

D There's a light at the river I can **A** see.

A **D** My Lord will stand and **G** hold in His **D** hand,

D A light at the **A** river for **D** me.

To that deep silent river we will one day come,
We will cross over waters wide.
He will carry us away to the realms of day,
To that Home on the other side.

CHORUS:

Jesus holds the light and will our pilot be,
He will guide us safely o'er.
And I know a welcome is waiting me
Across on the other shore.

CHORUS:

A **D** TAG: My Lord will stand and **G** hold in His **D** hand,

D A light at the **A** river for **D** me.
