

Amanda

G

G I've held it all inward

C Lord knows I've **G** tried
It's an awful awakenin'

In a **D** country boy's **G** life

When you look in the mirror

In **C** total **G** surprise

At the hair on your shoulders

And the **D** age in your **G** eyes.

(Chorus)

G Amanda **C** light of my **G** life

Fate should have made you a **D** gentle man's **G** wife

Amanda **C** light of my **G** life

Fate should have made you a **D** gentle man's **G** wife.

Well the measure of people

Don't understand

The pleasures of life

In a hillbilly band

I got my first guitar

When I was fourteen

Now I'm crowding thirty

And still wearin' jeans.

(Chorus)
