

# Before I Met You

**D**

**D** I thought I had seen pretty **G** girls in my **D** time

**D** But that was be **E** fore I met **A** you

**A** **D** I never saw **D7** one that I **G** wanted for **D** mine

**D** But that was be **A** fore I met **D** you **D7**

Chorus

**D7** **G** I thought I was swinging the **D** world by the tail

**D** I thought I could **E** never be **A** blue

**A** **D** I thought I'd been **D7** kissed and I **G** thought I'd been **D** loved

**D** But that was be **A** fore I met **D** you

I wanted to ramble and always be free  
But that was before I met you  
I said that no woman could ever hold me  
But that was before I met you

**Chorus**

They tell me I must reap just what I have sown  
But darling I hope it's not true  
For once I made plans about living alone  
But that was before I met you

**Chorus:**
