

Handsome Molly

G

G

I wish I was in London

D

Or some other seaport town

I'll set myself on a steamship

C

And I'll sail the ocean

G

round

CHORUS

G

While sailing around the ocean

D

While sailing around the sea

I dream of Handsome Molly

C

Wherever she might be

G

be

Her hair's as black as raven

Her eyes as black as coal

Her teeth are like lilies

That shine in the morning glow

Oh, don't you remember, Molly

You gave me your right hand

You said that if you married

Well I would be your man

CHORUS

BREAK

And now you've gone and left me

Go on with who you please

My poor heart is aching here

Lying at your ease

And I go down to the river

When everyone's asleep

I dream of handsome Molly

And sit right down and weep

CHORUS
