

# Meet Me By The Moonlight

G

Chorus:

**G** Meet me by the **C** moonlight love **G** meet me

**D** Meet me by the **C** moonlight **G** alone

**C** I have a sad story to **G** tell you

**D** All down by the **C** moonlight **G** alone

**G** I've always **C** loved you my **G** darling

**D** You said I've **C** never been **G** true

**C** I'd do anything just to please **G** you

**D** I'd die any **C** day just for **G** you

I have a ship on the ocean  
All lined with silver and gold  
And before my little darling shall suffer  
I'll have the ship anchored and sold

If I had wings like an angel  
Over these prison walls I would fly  
I'd fly to the arms of my darling  
And there I'd be willing to die
