

**One Of These Days** Emmylou Harris (Earl Montgomery)

**D**

**D**  
One of these days  
I won't have to chop wood  
I can be bad or **G** I can be **D** good

**D**  
I can be any way that I feel  
One of these **A** days

**A** **D**  
Might be a man that's dressed in black  
Be a hobo by the **G** railroad **D** track

**D** **G** **A** **D**  
I'll be gone like the wayward wind one of these days

**CHORUS**

**D** **G** **A** **D** **G** **D**  
One of these days it will soon be all over cut and dry

**D** **G** **D** **E** **A**  
And I won't have this urge to go all bottled up inside

**A** **G** **A** **D**  
One of these days I'll look back and I'll say I left in time

**D** **G** **D** **A** **D**  
Cause some where for me I know there's peace of mind

I might someday walk across this land  
Carrying the Lord's book in my hand  
Goin' cross the country singin' loud as I can  
One of these days

But I won't have trouble on my back  
Cuttin' like the devil with a choppin' axe,  
Got to shake it off my back  
One of these days

**CHORUS**
