

Roseville Fair

G

G Oh the night was clear, and the C stars were G shining
G And the moon came D up so quiet in the G sky
G All the people gathered 'round and the C band was a- G tuning
G I can hear them D now playing "Coming Through the G Rye"
G You were dressed in blue and you C looked so G lovely
G Just a gentle D flower of a small-town G girl
G You took my hand, .. and we C stepped to the G music
G With a single D smile you became my G world

CHORUS:

G And we danced all C night to the fiddle and the G banjo
G Their drifting D tunes seemed to fill the G air
G So long C ago but I still re- G member
G When we fell in D love at the Roseville G Fair

Break:-----

Now we courted well, **and we courted dearly**
And we'd rock for hours, **on the front-porch chair**
Then a year went by, **from the time that I met you**
And I made you mine, **at the Roseville Fair**

So here's a song, ----- **for all of the lovers**
And here's a tune ----- **that they can share**

May they dance all night ----- to the fiddle and the banjo
The way we did **at the Roseville Fair**

Chorus:

Tag: Ah the way we did -----at the Roseville Fair
