

Waltz across Texas

A

A

When we dance together

A E

My world's in disguise

EA...

It's a fairyland tale that's come true

A

And when you look at me

AE

With those stars in your eyes

EA

I could waltz across Texas with you

Chorus:

A

Waltz across Texas

A ...E

With you in my arms

EA

Waltz across Texas with you

A

Like a storybook ending

A .E

I'm lost in your charms

E A

And I could waltz across Texas with you

Break

My heartaches and troubles

Have just up and gone

The moment that you came in view

And with your hand in mine dear

I could dance on and on

And I could waltz across Texas with you

Chorus:

Waltz across Texas

With you in my arms

Waltz across Texas with you

Like a storybook ending

I'm lost in your charms

And I could waltz across Texas with you

And I could waltz across Texas with you
