

Will The Circle be Unbroken

G

G I was standing by my window

On a **C** cold and cloudy **G** day

When I saw the hearse come rolling

For to carry my **D** mother **G** away

Chorus:

G Will the circle be unbroken

Bye and **C** bye, Lord, bye and **G** bye

G There's a better home a-waiting

In the sky, Lord, **D** in the **G** sky

Oh, I told the undertaker
Undertaker, please drive slow
For this body you are hauling
How I hate to see her go

Chorus:

Lord, I followed close beside her
Tried to hold up and be brave
But I could not hide my sorrow
When they laid her in the grave

Chorus:

Went back home Lord, My home was lonely
Since my mother she had gone
All my brothers, sisters crying
What a home so sad and lone

Chorus:

Refrain: In the sky, Lord, in the sky
The pale moon is shining

On mother's bright tombstone
And the roses climb upon her
Like being left all alone
